

Analysis of Comments Received

Comment 1: The U.S. Customs Service recommends that we delete the following HTS numbers from the proposed conversion: 6306.1100 and 6306.2100.

Department's Position: We agree and accept this recommendation because these subheadings cover products that were not included in the TSUSA-defined scope of the countervailing duty order on certain textile mill products from Sri Lanka.

Comment 2: The U.S. Customs Service recommends that we delete subheading 6307.1020 and insert subheadings 6307.10.2005, 6307.10.2015, and 6307.10.2020.

Department's Position: We agree and accept this recommendation in order to be more precise in coverage of products included in the scope of the countervailing duty order on certain textile mill products from Sri Lanka.

In addition to the changes we are making in response to comments submitted by the U.S. Customs Service, we are also deleting subheading 4202.2245 from the proposed conversion because this subheading covers products that were originally covered by the scope of the countervailing duty order on certain apparel from Sri Lanka which was revoked effective May 18, 1992 (59 FR 43814; August 25, 1994).

All of these changes are reflected in the new Amended Conversion. The attached Appendix incorporates all of these amendments.

Instructions to Customs

The Department will instruct the U.S. Customs Service to liquidate without regard to countervailing duties all unliquidated entries of certain textile mill products from Sri Lanka not covered by the attached Appendix that were exported from Sri Lanka on or after May 18, 1992.

In addition, we are instructing the Customs Service to terminate the suspension of liquidation for all entries of certain textile mill products from Sri Lanka not covered in the attached Appendix, that are entered or withdrawn from the warehouse on or after the date of publication of this notice. The Department will also instruct the U.S. Customs Service to continue to suspend liquidation and collect the appropriate cash deposit of estimated countervailing duties for the subject merchandise listed in the attached Appendix, entered or withdrawn from the warehouse, on or after the date of publication of this notice.

Dated: January 4, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

AmeriCorps State and Direct Grant Program, Learn and Serve America K-12 Grant Program, and Learn and Serve America Higher Ed Grant Program 1995 Policies and Preferences

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (the Corporation) in the **Federal Register** of October 27, 1994 (59 FR 53963) proposed changes and invited comments with regard to three of its main programs: AmeriCorps*USA, Learn & Serve America K-12, and Learn & Serve America Higher Education. The Corporation is now proposing additional policy changes and program preferences for funding for these three programs. This notice addresses previously established rules concerning the percentage of time a program must commit to direct service activity and a new policy issue focusing on fee-for-service. Moreover, the Corporation has decided to give special consideration for programs that have received funding from the Corporation in the past. The Corporation invites all interested parties to comment on the issues discussed in this notice. Any comments received will be given careful consideration in the development of final FY 1995 policies and grant applications.

DATES: Comments on the Corporation's proposal for Direct Service Time and

Special Consideration for Past Corporation Funded Programs must be received no later than January 25, 1995. Comments specifically addressing the Corporation's proposal for Fee-for-service must be received no later than March 13, 1995.

ADDRESSES: Responses to this notice may be mailed to Ethan Kline of the Office of General Counsel, Corporation for National Service, 1201 New York Avenue, NW., Washington, DC 20525.

FOR FURTHER INFORMATION CONTACT: Ethan Kline at (202) 606-5000 x. 467 between the hours of 9 a.m. and 6 p.m. Eastern Standard Time. For individuals with disabilities, information will be made available in alternative formats, upon request.

I. Policies and Guidelines

A. Direct Service Time

The Corporation's position has been that in order for programs to have direct and demonstrable results in communities, at least 80% of each AmeriCorps Members required 1700 hours of service (1360 hours) must be spent in direct service activities, with no more than 20% of the required service time (340 hours) spent in training, education, and other non-direct service activities. In general, eligible direct service activities are those service activities that directly relate to a programs Community Service Objectives and may include on-site training, specific instructions related to a service project, developing relevant lesson plans, and imparting specific knowledge through workshops and presentations. Eligible non-direct service activities, including training and education, are those that relate to the fulfillment of a program's Community Building and Participant Development Objectives, and may include meeting with a community-based organization in order to develop a relationship with that organization or having Members attend GED preparation classes.

The Corporation now proposes to refine this policy and apply the "80/20" Rule to the general design of the AmeriCorps program, not to each individual Member. This change allows for variances among the individual Members (some of whom will spend more time performing direct service while others will spend more time in education, training, or other non-direct service activities) and for variances throughout the course of the year (a program may choose to spend more time in training sessions at the beginning of the year rather than at the end of the year). The 80/20 Rule will apply only to the required minimum of 1700 hours,
